THE WISO FACULTY

The **Cologne WiSo Faculty**, Germany's largest and most reputable faculty of its kind, offers students a vast scope of study fields and specialisations. In line with its mission '**Innovation for Society**', it successfully links excellent research with contacts to the corporate and business world, as manifested in the WiSo Faculty's top results in rankings. The central location of the campus and the Faculty's focus on internationalisation, counting over 450 incoming exchange students per year, contribute to the Faculty's reputation as an ideal place for an exchange term. The Faculty is EQUIS accredited. The University of Cologne was awarded 'university of excellence' status by the German government.

The WiSo Faculty offers 7 bachelor programmes (3 years) and 14 master programmes (2 years) including several international and double degree programmes:

THE CITY OF COLOGNE

With a diverse population of around 1 million, Cologne is a multicultural and dynamic city. It is home to the fourth-largest trade fair in the world, and over 10,000 IT and telecommunication businesses have strengthened its position as Germany's 'media city'. Cologne is famous for its Gothic cathedral, along with a multitude of other historic sites and plenty of green areas. Home to some 90,000 students, the city offers a vibrant night life and a great variety of museums, theatres and art exhibitions. <http://www.cologne-tourism.com/>

PROCEDURES

Students of the WiSo Faculty's partner universities need to be nominated by the international office of their home institution for an exchange stay at the WiSo Faculty. Nominations can be submitted via the WiSo Exchange Platform (WEX) during the nomination period. Coordinators are informed about this by email. The ZIB WiSo Incomings Team will contact the nominated student(s) directly by email after the nomination deadline has passed with instructions on how to proceed with their admission and enrolment process.
