Timeline for Application and Admission

Short Stay - Intensive Course, offered by Stockholm School of Economics, 2019:

Creating the New in an International Context

1 February 2019	application deadline with ZIB WiSo through the WEX database selection round: individual option application documents in one pdf: <ul style="list-style-type: none">- motivation letter- CV- Transcript of Records (current and BSc)- proof of English language skills
5 February 2019	pre-selection by ZIB WiSo. Students will be informed to their Smail-address. Students should be prepared to answer any questions and follow-up communication until 8 February 2019
13 February 2019	ZIB WiSo will propose the pre-selected students to SSE. In case of more pre-selected students than slots available, SSE will take the final decision. Communication on admission will probably be done until end of February 2019.

[WEX-Database](#): first time users need to register first through the green button and will receive an e-mail to their Smail-address to register for the WEX database. After first registration, students need to insert their personal data and then have access to the selection round 'individual option'.
