FOR CEMS CORPORATE AND SOCIAL PARTNERS

March 2019

Dear CEMS Partners,

Hope you looking forward to the upcoming spring season!

We are preparing for the start of our next semester on 2nd April 2019 with our official welcome for the next CEMS cohort consisting of 20 Cologne and 16 incoming students from 14 CEMS Partner Universities with overall 16 nationalities. We would like to thank our Corporate Partner DAIMLER for their guest lecture during our first core course lesson and the sponsoring of our welcome get-together in the evening.

Find more **CEMS students and alumni key fact and figures** of the CEMS cohort 2018/19 worldwide [here](#). **Statistics** about the employer profile and job profile of recent **CEMS graduates** are available [here](#). The **CEMS calendar** 2019 provides information about regular meetings and other important events where your participation and contribution in the network is highly appreciated.

Please have a look at the updated **CEMS Corporate Partner Guide 2019**, a comprehensive guide of the services and opportunities to enhance the cooperation between CPs and CEMS Stakeholders and offers answers on various topics. We are very happy that many companies are already involved in the CEMS curriculum elements, selection interviews, recruitment fairs, branding and social activities at our University. We are starting now to collect further activities for the fall term 2019/20, starting in September. Please let us know if you are interested in contributing in any way.

We are very much looking forward to working with you!

Christa Leenen-Poser
CEMS Corporate Relations Manager

100 Years of the WiSo Faculty

In 2019, the University of Cologne is celebrating the 100th anniversary of its re-establishment. The WiSo Faculty is also celebrating its 100th anniversary in 2019: The City Council of Cologne re-established the university in 1919 by expanding the commercial college, which had first been established in 1901, into a Faculty of Management, Economics and Social Sciences. Please find more information and the list of events on the 2019 faculty anniversary [here](#).

New Dean at the WiSo Faculty

From 1st April 2019

Werner Mellis has been serving as the Dean of the WiSo Faculty since 2011. In April 2019, he will hand over his office to his successor Ulrich W. Thonemann. Read more about the Dean's handover at the WiSo Faculty [here](#).

WiSo Job Fair "Fakultätskarrieretag"

University of Cologne, 9 and 10 April 2019

The second edition of our WiSo Job Fair will take place on 09.04 and 10.04.2019 in the main building of the University of Cologne. The event will be accompanied by a framework programme with lectures as well as other services around the topic „early contacts to future employers“.

From 10:00 am to 3:00 pm, visitors are cordially invited to talk to companies and other exhibitors on topics such as student side jobs, internships, traineeships, permanent positions, etc.

We are glad to report that we could extend the number of CEMS Corporate Partners participants at our WiSo Job Fair from eight to eleven participants out of overall 52 companies. A big thank you to our partners **Barilla, BNP Paribas, Deloitte, Deutsche Post DHL, E.ON Inhouse Consulting, Henkel, METRO, PricewaterhouseCoopers, Reckitt Benckiser, Unibail-Rodamco-Westfield** and **Vodafone**. Please find more information [here](#).

CEMS Business Projects

University of Cologne, April – July 2019

We are very impressed by the amount of Business Projects that reached us for 2019. We would like to thank all contributors of the 20+ projects, of which we were able to offer nine to our current CEMS cohort with 36 students. To those companies we couldn't accommodate in the spring semester, we would like to offer the option to work on your projects with our regular students in the next fall term. Please let us know until mid of April if you are interested, so that we can offer your projects to the different areas of our WiSo faculty.

CEMS UNFCCC Model Role Play

University of Cologne, 10 – 12 May 2019

In May the 11th edition of the CEMS UNFCCC Model Role Play will bring together over 150 CEMS students from nine leading CEMS European business schools who offer the CEMS Model UNFCCC course. The two-day long simulation of the UN climate negotiations at the University of Cologne is the highlight for every participant. We would like to thank so far our great sponsors **Unibail-Rodamco-Westfield** and **METRO** for their generous support in short guest lectures and sponsoring our welcome get-together and coffee breaks.

CEMS Magazine 2019
